1 Introduction

The Kite Academy Trust is committed to developing and implementing policies and practice which support good attendance, in partnership with parents/carers, pupils and governors, and with other organisations who have an interest in, or are affected by, attendance. We will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement, regular attendance is essential. Pupils are expected to attend school every day and arrive on time. We will consistently work with parents and pupils to achieve our expectation of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents/carers the importance of regular and punctual attendance; this may include letters, newsletters, half termly/termly updates and through the academy Facebook page. Each year, our academies will examine their attendance figures and set attendance/absence targets. The Trust and its academies will review their systems for improving attendance at regular intervals to ensure that the goals set are achieved.

Whilst we recognise that children who may attend one of our Nursery provisions are not yet of statutory school age, to ensure we fulfil our safeguarding and child protection duties, we will apply the principles and protocols included within this policy to all children within the Kite Academy Trust.

This policy should be read alongside other relevant Kite Academy Trust (KAT) policies and DfE guidance:

KAT Child Protection & Safeguarding Policy

KAT Special Educational Needs & Disability Policy

KAT Suspension & Exclusion Policy

[Working Together to Improve School Attendance](#)

2 Academy Procedures

Any child who is absent at morning or afternoon registration must have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of academy). Only the Academy Head Teacher, or a member of the senior leadership team with delegated responsibility, can authorise a child's absence from school. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

3 Responsibilities

Responsibilities of Academy Staff:

- Ensure that all pupils are registered accurately;
- Promote and reward good attendance with pupils at all appropriate opportunities;
- Communicate any concerns or underlying problems that may account for a child's absence;
- Support pupils who have been absent to engage with their learning once they return;
- Regularly inform parents of the attendance of their children;
- Work in partnership with the academy Senior Attendance Champions and county Inclusion Services;
- Advise parent/carer if their child has arrived late alone and registered themselves at the office;
- Communicate regular attendance updates with all parents and carers.

Responsibilities of Pupils:

- Attend every day unless they are ill or have an authorised absence;
- Arrive on time;
- Registering with the office if they are late (KS2 children).

Responsibilities of Parents and Carers:

- Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.

Parents and Carers will:

- Encourage regular attendance by supporting the values of good attendance at home and to be aware of their legal responsibilities;
- Inform the academy by telephone on the first day of their child's absence by 8.30am and on any subsequent days provide the academy with a further update;
- Alert the academy office of any planned absences/medical procedures well in advance;
- Support the academy with their child in achieving 100% attendance each year;
- Avoid taking their child out of academy for non-urgent medical or dental appointments;
- Only request leave of absence if it is for an exceptional circumstance;
- Ensure that the child/children in their care arrive at the academy punctually and prepared for the academy day (including extra-curricular activities);
- Engage in regular meetings with the academy (and/or local authority) where patterns of poor attendance are forming or where a child/children are considered to be vulnerable or are persistently or severely absent to discuss attendance and engagement at school;
- Work with the academy, where needed, to agree and implement an attendance contract if absence continues.

PLEASE NOTE: Holidays are not deemed to be exceptional circumstances and will not be authorised.

4 Lateness

Pupils arriving after the start of the academy day but before the end of registration will be treated, for statistical purposes, as present but will be coded as late before registers close. Arrival after registers close will be marked as unauthorised absence.

At Kite Academy Trust academies, the registers close 20 minutes after the official start time of each academy.

5 First Day Absence

Parents are expected to contact the academy via telephone (or email) as early as possible and always by 8:30am, leaving an appropriate message. This information will be collated and the registers adjusted to reflect the information. If the academy has not received an update from a parent or carer, a phone call home will be made immediately following the close of registration.

Academy opening times are available within Appendix A. If we are not able to make contact, we will contact all emergency contacts. If we are still unable to make contact, we may make a doorstep welfare check and following this, offer further support. Each academy has a detailed overview of our first day absence protocols in our Attendance Best Practice document.

6 Frequent & Continuing Absence

We ask that all parents and carers contact us with a daily update should their child continue to be absent from school. If the school does not receive an update, a courtesy phone call home will be made. If we are unable to make contact, we will follow the protocols in our Attendance Best Practice document and, as above, this will include calling all emergency contacts and could result in a doorstep welfare check.

In cases where a pupil begins to develop a pattern of lateness or absence, the academy will try to resolve the problem quickly by meeting with the parent/carer. The academy will seek advice from Inclusion Services or Early Help Hub.

7 Persistent Absence

If a child's attendance falls below 90% across the academic year, for whatever reason, they are defined as a *persistent absentee*. Absence for whatever reason disadvantages a child by creating gaps in their learning. We monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education.

Throughout the school year, following fortnightly attendance reviews, the school will contact you if your child's absence falls below 96%. If your child's attendance level is falling towards 90% after the first half term, we will contact you and, depending on the reasons for the absence, may ask for medical evidence or suggest a meeting with the Academy Head Teacher or relevant staff member.

8 Absence Notes

Notes received from parents explaining absence will be kept for the remainder of the academic year. If there are attendance concerns about the pupil that may require further investigation, then the notes may need to be retained for a longer period.

9 Promoting Attendance

The academy will use opportunities as they arise to remind parents/carers that it is their responsibility to ensure that their children receive their education and that good attendance is vital. The academy will be particularly sensitive to the need to support families where attendance issues are related to a pupil's special needs.

10 Request for Absence in Term Time

Requests for absence during term time are actively discouraged. Parents will be reminded of the effect that absence can have on a pupil's potential achievement. The academy will not authorise term time absences, except in very exceptional circumstances. A Request for Leave of Absence form (Appendix B) must be submitted to the academy **at least two weeks in advance**. The Academy Head Teacher will then decide if the request can be authorised or if it is unauthorised. If the absence is unauthorised the parents will be notified of this and warned they will be receiving a penalty notice.

11 Understanding Types of Absence

Pupils are expected to attend the academy every day for the entire duration of the academic year, unless there is an exceptional reason for the absence.

There are two main categories of absences:

Authorised absence is when the academy has accepted the explanation offered as satisfactory (see Appendix C for absence guidance).

This requires a Request for Leave of Absence Form (see Appendix B) to be completed and returned at least two weeks in advance of the absence to enable the Academy Head Teacher to reach a decision about such an absence. If no explanation is received, absences cannot be authorised.

Unauthorised absence is when the academy has not received a valid reason for absence or has not approved a child's absence following a parent/carer's request.

This includes parents giving their children permission to be absent unnecessarily, such as for shopping, birthdays, to look after siblings or absences which have not been explained.

If you do not request and/or receive permission for your child to be absent, your child's absence will be recorded as unauthorised.

An academy can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to the academy it is suspected (and there is evidence to prove) that they have been on holiday.

Please note, we are unable to authorise illness absence after or before holiday requests unless there is medical evidence to support this.

Where there are several siblings across local schools, Academy Head Teachers will always liaise with other leaders in the event of requests for approval of exceptional leave. If a child is absent from school for any reason, the academy may check attendance at siblings' schools in case patterns of absence arise.

The academy reserves the right to ask for medical evidence of an illness as stated by the parent/carers.

Religious observance

At the Kite Academy Trust, we will treat absence as authorised when it is due to religious observance. Following DfE guidance, the day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, academy staff will seek advice from the parents' religious body about whether it has set the day apart for religious observance. The academy will expect to be notified by parents in advance if their child/ren will be absent for religious observance. On these occasions, we ask parents to complete a Request for Leave of Absence form (Appendix B).

12 Penalty Notices

The Surrey Attendance Service, acting on behalf of Surrey County Council or Hampshire County Council* may issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and require the recipient to pay a fixed amount.

Circumstances when a Penalty Notices may be issued

- Where a child is taken out of school for 10 sessions or more and the 'leave of absence' is without the authority of the Academy Head Teacher, each parent is liable to receive a penalty notice for each child who is absent. In these circumstances, a warning will not be given where it can be shown that parents had previously been notified that such absences would not be authorised and that they will be liable to receive a Penalty Notice if the leave of absence is taken.
- The Education (Pupil Registration)(England)(Amendment) Regulations 2013, state that Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Academy Head teacher is required to determine the number of school days a child can be away from school if leave is granted.
- The issue of a Penalty Notice will also be considered where a pupil has incurred 10 or more unauthorised sessions during the preceding 10 school weeks. The parents' failure to engage with supportive measures proposed by the school will be a factor when considering the issue of a Penalty Notice. Unauthorised absence will include late arrival after the close of registration without good reason.
- Pupils identified by Police and Surrey Attendance Advice Officers engaged on Truancy Patrols and who have incurred unauthorised absences.

With the exception of unauthorised leave of absence taken in term time (Paragraph 2 above), parents will be sent a 'Notice To Improve' their child's attendance, warning them of their liability to receive such a notice before it is issued.

Amount Payable Under a Penalty Notice: The Education (Penalty Notices) (England) (Amendment) Regulations 2024

- If a parent/carer has not incurred a penalty notice relating to the relevant child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against the parent/carer in the Magistrates Court.
- If a parent/carer has incurred a penalty notice relating to the relevant child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against the parent/carer in the Magistrates Court.
- If a parent/carer has incurred 2 penalty notices relating to the relevant child/children in the rolling 3 year period since the first penalty notice was issued, then a third penalty notice will NOT be issued – Surrey/Hampshire County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

13 Penalty Notice relating to Exclusions

Section 103 of the Education and Inspections Act 2006 places a duty on parents to ensure that their child is not in a public place without justifiable cause during school hours when they are excluded from school. This duty applies to the first five days of each exclusion. Failure to do so will render the parent liable to a Penalty Notice.

If the Penalty Notice is not paid, the recipient will be prosecuted for the offence under Section 103. Alternative education provision will be made from the sixth day of any exclusion and failure to attend such provision without good reason will be treated as unauthorised absence.

14 Senior Attendance Champion

Each academy has named Senior Attendance Champion who will work closely with the Academy Head Teacher and academy administrative team to oversee attendance at the academy. The Senior Attendance Champion will:

- Monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families. This will include analysis of individual pupil attendance, cohorts and year groups (including their punctuality) across the academy to ensure the academy achieves its responsibilities under the Public Sector Equality Duty. When analysing patterns, closer analysis of patterns of attendance within a session may be undertaken to ensure all pupils are attending all timetabled lessons.
- Use this analysis to provide regular attendance reports to class teachers and senior leaders (including special educational needs coordinators, designated safeguarding leads and pupil premium leads) to facilitate discussions with pupils.

- Undertake frequent individual level analysis to identify the pupils who need support and focus staff efforts on developing targeted actions for those cases. This will not just focus on persistent and severe absence, but review all severities of absence to identify pupils who can be supported earlier before patterns become entrenched.
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends, which will include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance.
- Benchmark their attendance data (at whole academy, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data. This may, for example, include pupils in a year group with higher than average absence or pupils eligible for free school meals if their attendance falls behind that of their more advantaged peers.
- Monitor the impact of school wide attendance efforts on recorded data, including any specific strategies implemented. The findings will then be used to evaluate approaches or inform future strategies.
- Provide data and reports to support the work of the Board of Trustees and/or Academy Council.

15 Inclusion Service

To help make sure that every child goes to school regularly and gets an appropriate education, each academy has a Local Authority Inclusion Officer (Surrey academies) or Attendance Intervention Officer (Hampshire academies).

Surrey Inclusion Officers provide an advisory service to schools, and track pupils who are not accessing full time education.

Hampshire Attendance Intervention Officers provide a service to work collaboratively with schools in improving attendance.

Penalty Notices may be issued in cases of poor attendance. Legal action may be taken to ensure your child attends their academy.

16 Changing Schools

An in-year transfer form is available from the academy office and should be completed by the parent and Academy Head Teacher prior to transfer. Pupils' records are sent to the new school within 5 days. The academy office team will confirm attendance with the new school (on the start date) in order to ensure the registers and numbers on roll at both schools are accurate. If the child fails to attend their new school on the agreed start date, the family will be contacted and may be referred to the Local Authority tracking officer.

Appendix B - Request for Leave of Absence Form

Parents are asked to consider very carefully the implications for their own child and others before making a decision to remove their child from the education that is provided in academy term time. Children should only be removed in **exceptional circumstances**. These circumstances and the factors to be taken into account by parents considering such absence are given overleaf. If you intend for your child to be absent, please complete the form below and submit to the academy with **at least two weeks' notice**.

The academy is required to record all absences as **Authorised** or **Unauthorised**. The decision is based on the information given below. Should a parent who is considering an absence wish to discuss the implications, please contact the academy office to make an appointment to see the Academy Head Teacher.

The Kite Academy Trust follows national guidelines regarding Penalty Notices. Penalty Notices are issued in instances of unauthorised leave of absence in term time of 5 days/10 sessions (or more) within a period of 10 school weeks.

The first Penalty Notice is £80 per parent/carer per child, if paid within 21 days or £160 if paid after 21 days but within 28 days. If a second Penalty Notice is incurred within a 3 year rolling period, then payment is £160 per parent/carer per child if paid within 28 days. There will be no reduction if payment is received within 21 days. Failure to pay a Penalty Notice will result in a summons being served to appear at the Magistrates Court.

If a parent/carer has incurred 2 penalty notices relating to the child/children in the rolling 3 year period since the first penalty notice was issued, then a third penalty notice will NOT be issued – Surrey/Hampshire County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s444 Education Act 1996.

Guidance for Parents on Pupil Attendance

We recognise that there are some genuine difficulties and tensions for parents when they make a decision to take their child out of school. The following information is offered to help.

Why keep your child in school?

Some areas to consider are:

- Children have a right to the education that is planned and provided by school;
- Taking a child out of school can be disruptive to the child concerned both at the time, before and after the event;
- Children away from school miss the learning that has been planned. Many learning experiences cannot be packaged and sent home and are part of ongoing programmes. For this reason, children's progress may be interrupted;
- Confidence and self-esteem may be dented as some children can feel separated from their class because the experiences of the class have moved forward without them;
- A high number of absences in a class impact on the general level and pace of learning. Teaching may need to be adjusted for the whole class as foundations for the next stage may have been undermined by the absence of several children;
- There are 175 non-school days a year to spend on holidays, shopping and appointments. There are 190 school days a year.

Why take your child out of school?

There may be genuinely exceptional reasons for taking a child out of school as listed overleaf. The Kite Academy Trust policy is that absence for other reasons is not authorised. If, after taking all the factors above into account, parents decide to take their child out of school for other than exceptional reasons as described, the parents should take responsibility for this decision and appreciate that their child's absence will be regarded as Unauthorised.

Guidance regarding Penalty Notices

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school, which includes a leave of absence in term time (5 days or 10 sessions or more).

Please be aware that the Education (Pupil Registration) (England) (Amendment) Regulations 2013, state that Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Head Teacher is also required to determine the number of school days a child can be away from school if leave is granted. In such cases, the Head Teacher must judge whether there are exceptional circumstances and may request that the Local Authority issue Penalty Notices when the absence is not authorised. **Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.**

Unauthorised absence of 5 days/10 sessions or more will result in the following action being taken:

1. If you have not incurred a penalty notice relating to this child/children since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, per parent/carer per child, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, per parent/carer per child, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey/Hampshire County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey/Hampshire County Council will have no option but to consider a prosecution, per parent/carer per child, in the Magistrates Court under s444 Education Act 1996.

Please be aware that each parent is liable to receive a Penalty Notice for each child who incurs unauthorised absences. For example, if there are two parents and one child, each parent will receive one Penalty Notice. If there are two parents, and two children incur unauthorised absences, each parent will receive two Penalty Notices.

All of The Kite Academy Trust academies seek to provide the very best learning experience for your child/children and this principle is behind our policy on time out of academies. We hope this is helpful and our Academy Head Teachers are very happy to discuss individual circumstances with you.

Advice and support are available from the academy Senior Attendance Champion or by contacting your Local Authority Education Office.

Appendix C - Absence Guidance

Absence through child participation in public performances, including theatre, film or television work and modelling:

The legislation requires that all children, from babies until they cease to be of compulsory school age, be licensed by the Local Authority in which they live, when they take part in a performance on stage or in a broadcast.

A child remains subject to these regulations until the last Friday in June of the academic year in which they turn 16. The academic year runs from 1 September – 31 August inclusive.

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the Academy Head Teacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is, however, down to the Academy Head Teacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs.

Absence through competing at regional, county or national level for sport:

Parents of able sports players can seek leave of absence from school for their child to take part in regional, county, national and international events and competitions. It is, however, down to the Academy Head Teacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions is also at the discretion of the Academy Head Teacher and is not likely to be approved if it is a regular event, unless the sports club or association is providing an education tutor as part of their coaching.

My child is trying to avoid coming to school. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the academy, the parents/carers and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's teacher immediately and openly discuss your worries. Your child could be avoiding the academy for a number of reasons: difficulties with work; friendship problems; family difficulties. It is important that the reason for your child's reluctance to attend the academy is identified early and work together to tackle the problem. For some children the extra support of familiar staff may be called upon. In addition, it may also be helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that they leave home in the correct clothes and properly equipped. Show your child, by your interest, that you value their education. Let them know that there is support at the academy, either from their class teacher or other trusted adults. Encourage them to seek out a member of staff who they feel comfortable with to talk through any worries or concerns that they have which is preventing them from coming to the academy or as a parent/carer, contact the academy and request this on your child's behalf.

Be interested in what your child is doing, chat to them about the things they have learnt, the friends they have made and even what they had for lunch!

New Attendance Rules!

There are new rules for unauthorised absences, whether this is due to holiday, irregular attendance, or otherwise. Don't get caught out!

1 I'm a parent and I want to take my child out of school for a half or full day.

Any absence must be recorded on an absence request form. The form enables us to communicate whether an absence will be authorised or unauthorised. Holiday requests will not be authorised. If your child will miss 5 school days, they will be given a penalty notice fine. **The fine is £80 per parent, per child, if you pay it in 21 days, otherwise it is £160.**

For each child a penalty is given...

4 children & 1 parent = £320
Doubled to £640 if not paid in 21 days

For a family of 2 parents & 2 children

£160 x2 = £320
Doubled to £640 if not paid in 21 days

What happens if school suspects children are actually on holiday?

Photos on Facebook?
Foreign mobile dial tone?
Other children talking about your holiday?
Amazing sun tan?
Home visit shows no-one at home?

Please don't be offended if we ask for evidence or mention these questions to you. We're required to do this to ensure a fair system!

2 What about subsequent absences? Is it still the same penalty amount?

No, not anymore. If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence OR pattern of irregular attendance, which is unauthorised, then...

2nd TIME

2 parents and...
1 child = £320
2 children = £640
3 children = £960
4 children = £1280

NO DISCOUNT FOR EARLY PAYMENT

3rd TIME

A penalty notice fine **will not** be given. Instead, your case will be taken to court. A magistrate can fine each parent £2,500 for each child.

1 parent & 4 children = £10,000
2 parents and 4 children = £20,000

3 What about irregular attendance? Could I get a penalty notice?

YES

If your child is absent (or late after registers) for 10 or more sessions in 10 weeks, and their absences are unauthorised, then the school is required to consider penalty notices / prosecution.

So, half a day here and day there could all add up to 10 sessions in 10 weeks. If unauthorised, then it would be a penalty notice. Remember, 1 day is 2 sessions (morning and afternoon).

4 What are typical reasons given that won't be authorised?

Unless there are exceptional circumstances

A family member's birthday
Shopping for uniforms
Inadequate clothing for school
Child being used as a carer
Problems with transport
Visiting relatives abroad

Sickness of parent or sibling
Sibling's school closed
Refusing to attend, but able to
Poor family organisation
Family holidays
No absence request completed
Non-essential appointments

Where attendance is irregular, or historically poor, sickness absences may be unauthorised unless medical confirmation by a GP surgery is given.
